Running for Freshman class secretary, Gia Little informs the class of her past accomplishments.

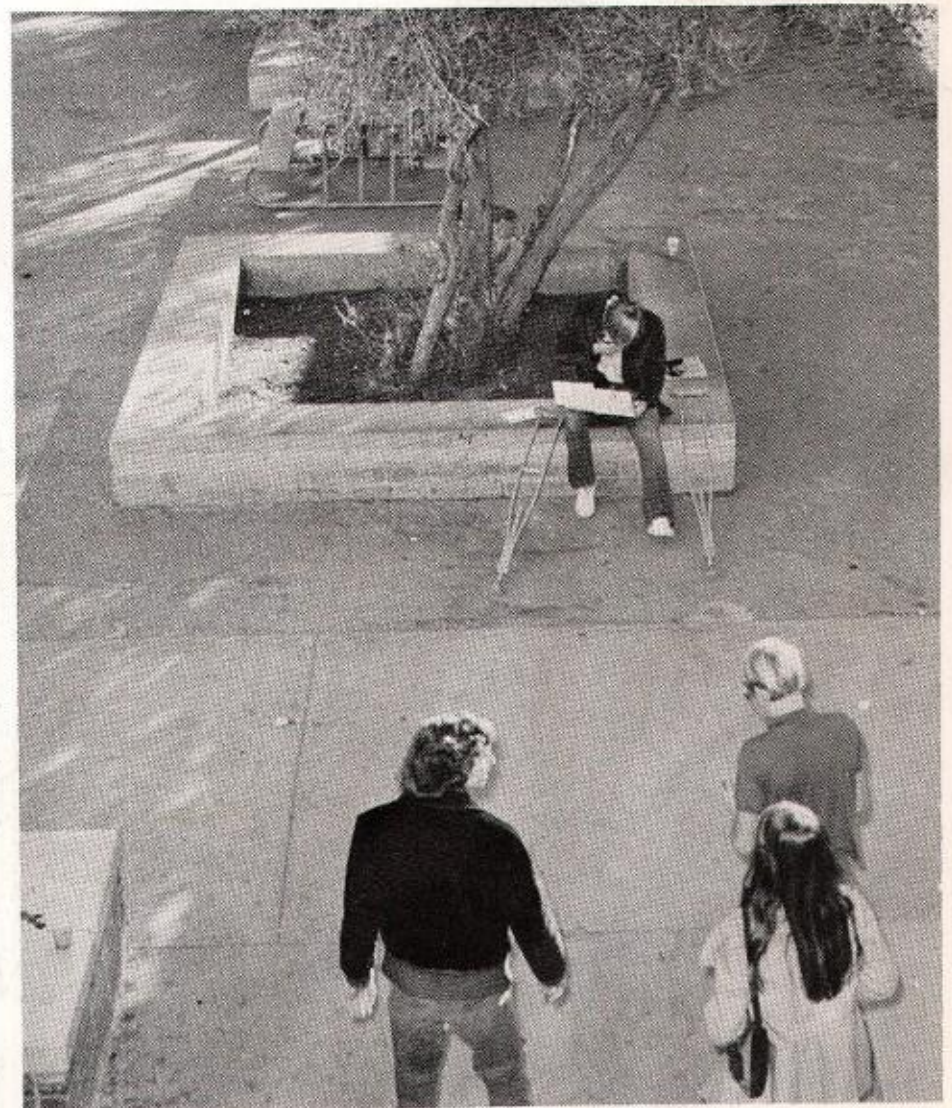

Everything from transistor radios to color T.V. sets gets attention from the members of Mr. Jepson's 2nd hour Advanced Electronics class.

Mr. Lundgren offers advice to some of the students, while others work on their projects in his 2nd hour Basic Crafts class.

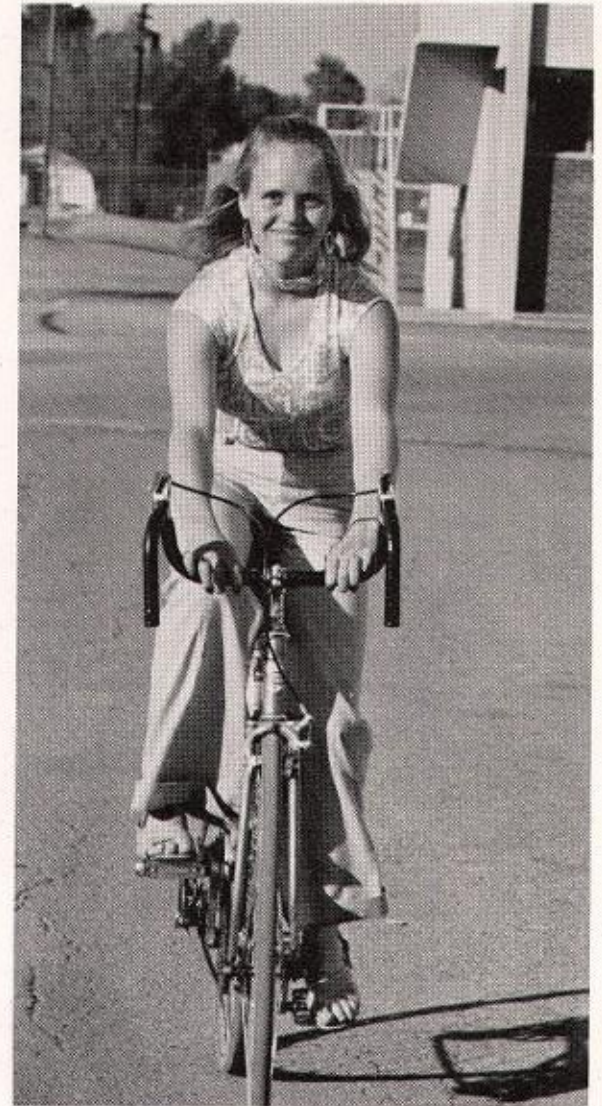

One of the highlights of the mixed chorus assembly was Diane Washington's solo performance.

Dan Curtis finds a quiet place to study in the olive trees where no one will trip on his crutches.

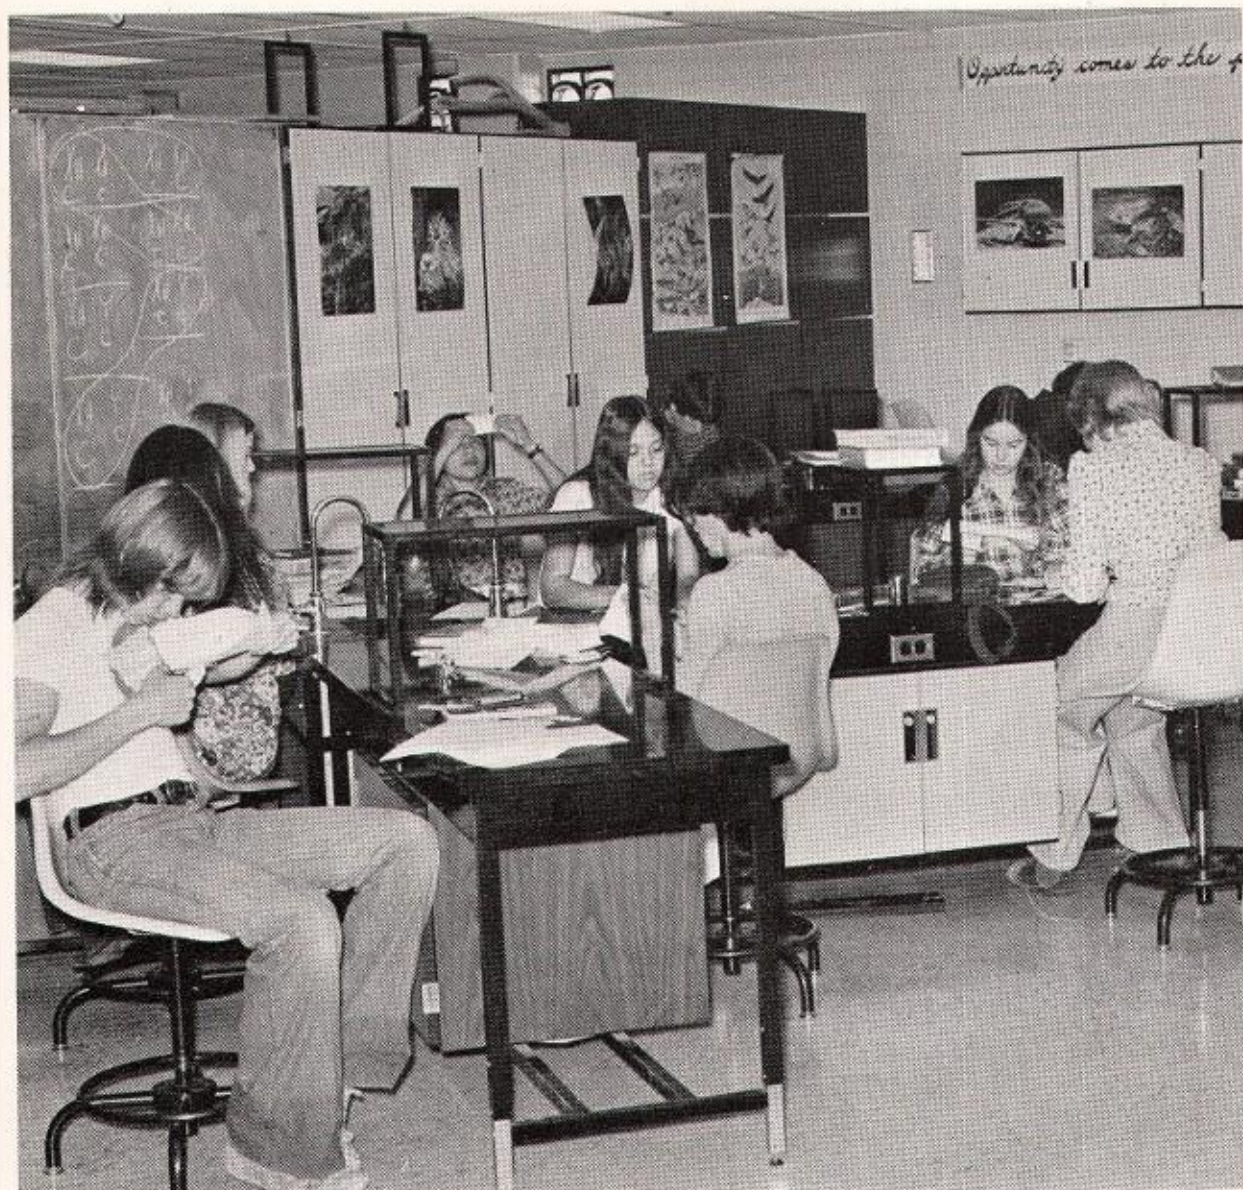

The only military tactics being discussed by this trio of ROTC cadets is how to get past the hall guards without being caught.

Barbara Markley found that a 10-speed was a good method of transportation, especially in the warm weather.

Lost in a sea of old paper, Kathy Ginster takes time out for her homework while keeping an eye on West's newspaper drive efforts.

Working hard in Mr. Howell's 2nd hour Biology class, his students prove that's the best way to make a good grade.

With the increasing popularity of 10-speeds this year, there wasn't always enough room at the bike racks for them all.

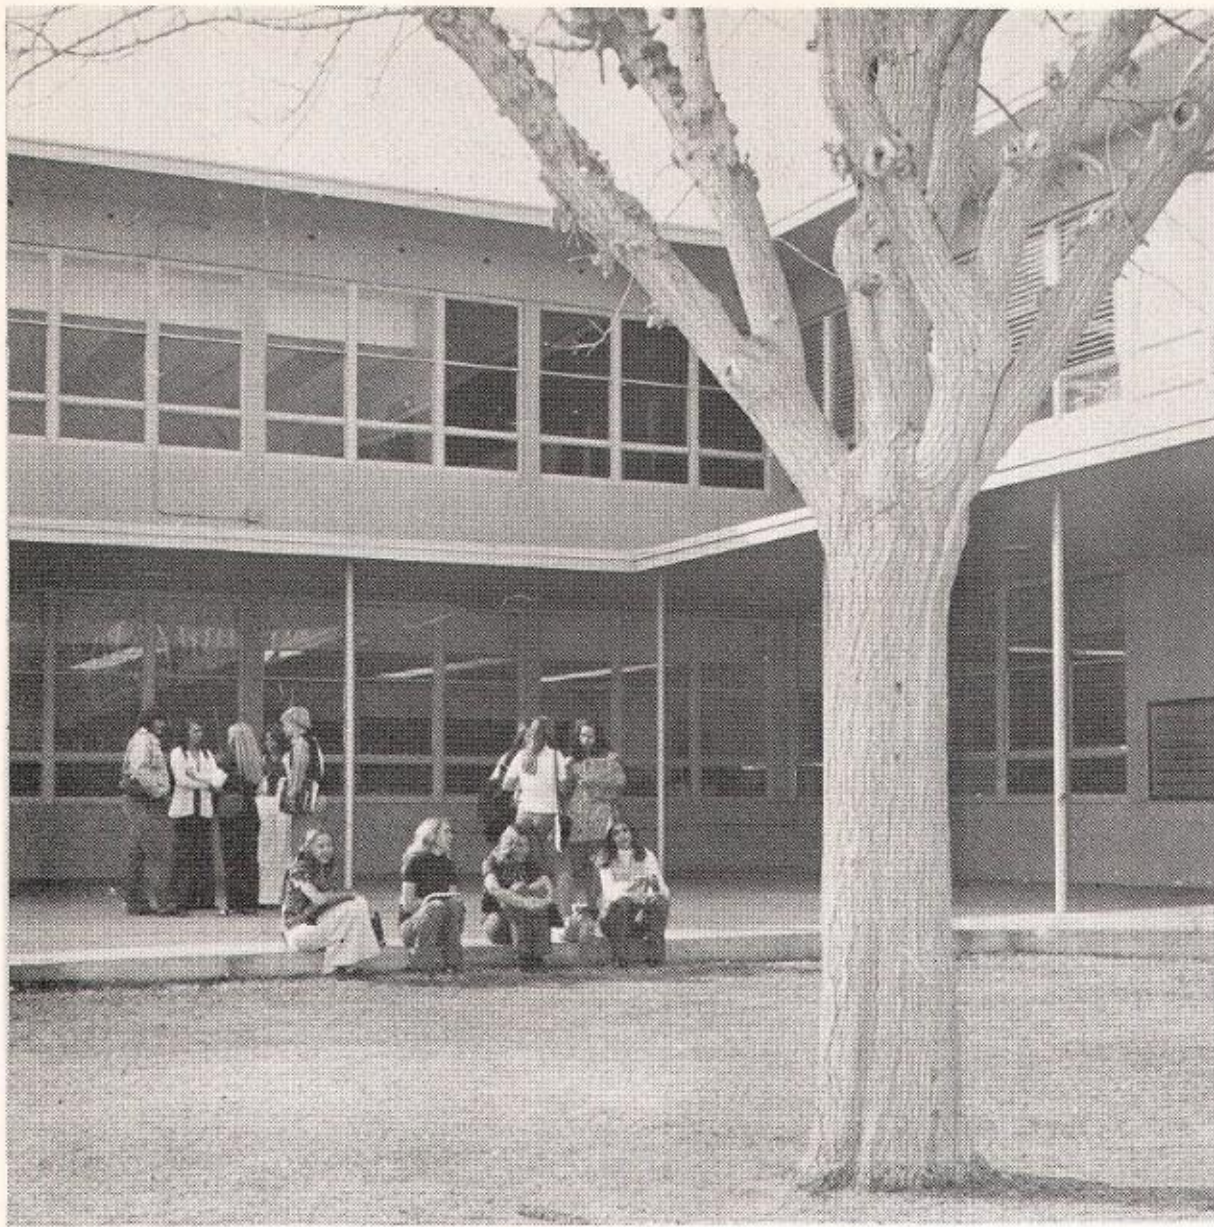

Roxanne Gibson stops for breakfast before her morning classes.

Working on an inlaid chess table in Mr. Robinson's 2nd hour Wood 2-4 class are Mickey Milford and Johanna Lusk.

Irrigation was a common sight this year because of a lack of rain.

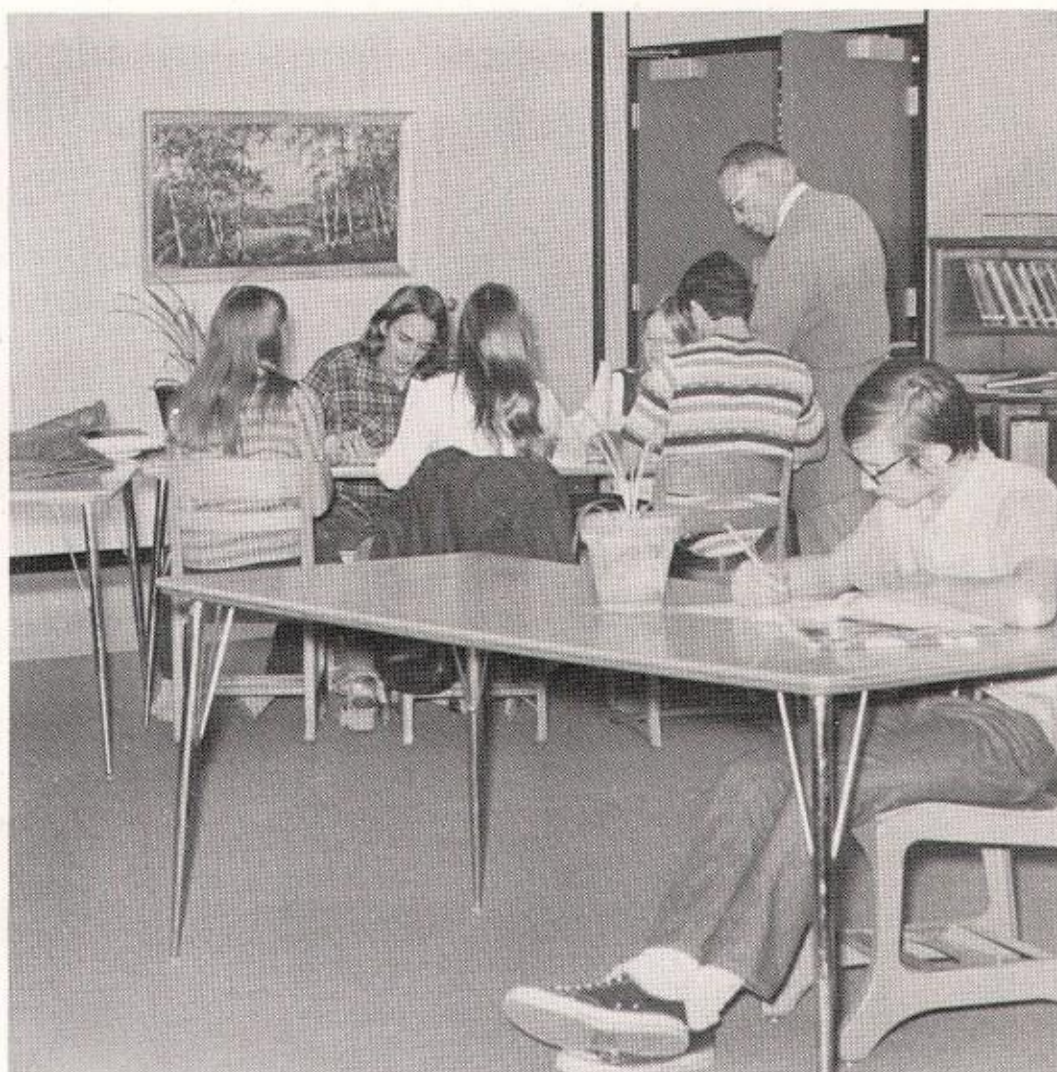

While waiting for the bell to ring to begin their next class, small groups gather in the quad for their own private discussions.

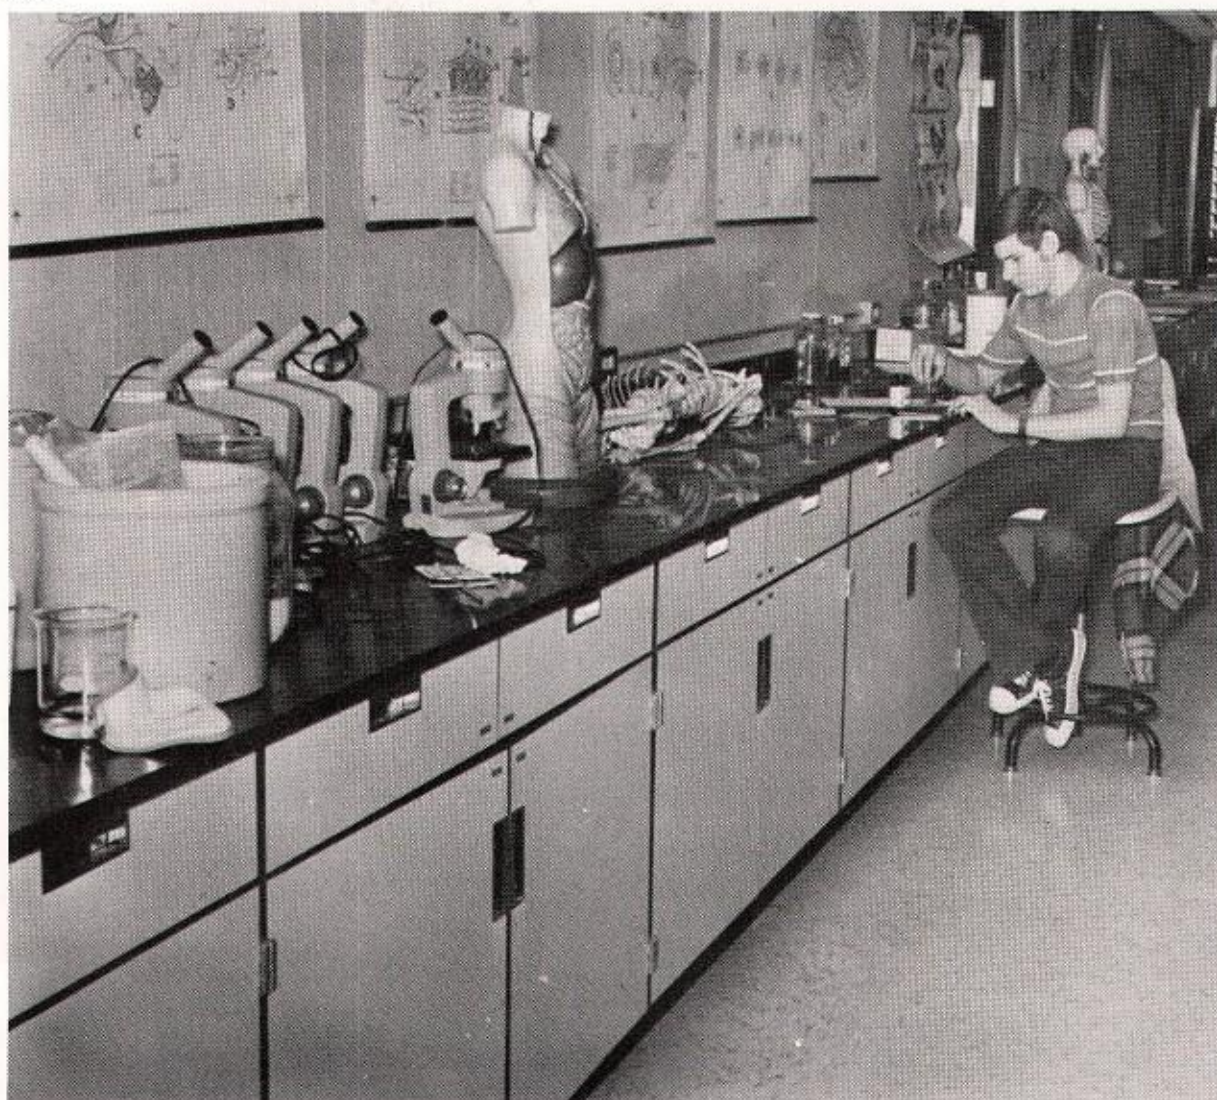

Three golf pros exhibit their talent and perfect stance in Mr. Shepard's P.E. class.

Ted Wesley replaces the cooler pads in the evaporative coolers during the winter months in those buildings which still don't have refrigeration.

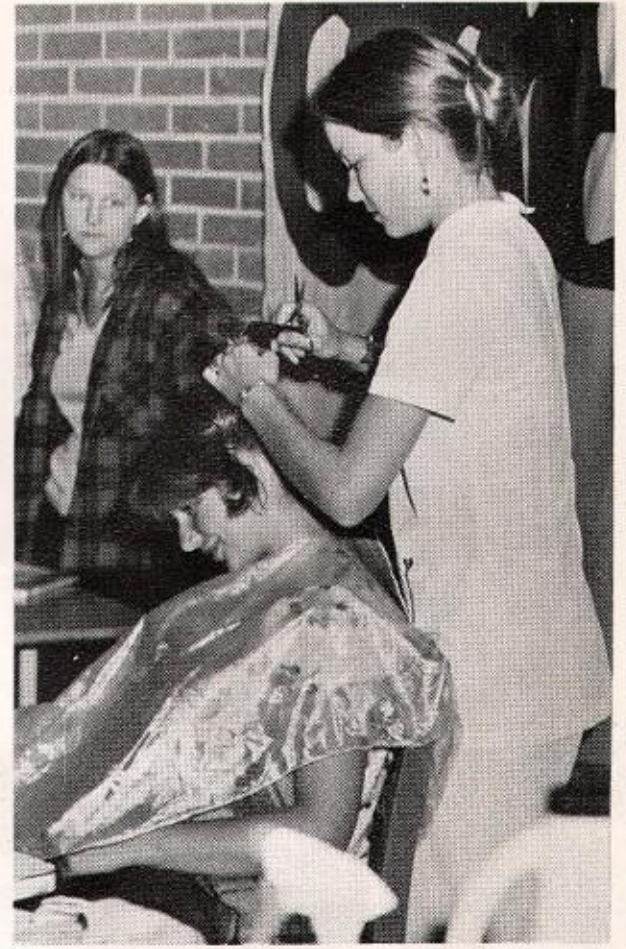

Mr. Stitt's help is appreciated by these students in the Science Resource Center.

A soil lab holds the attention of Mr. Howell's 2nd hour student assistant, William Barclay, in the Science Dispensary.

Overhauling engines is hard work in Mr. Byron's 2nd hour Auto Mechanics class.

On exhibition during Career Day is Connie Crispell as she gets a free hair cut from a cosmetology student.

Mr. Rose keeps an eye on members of the junior class as they take the Free Enterprise test in hopes of being exempt from the class. From the 450 students who took the test only 42 passed.

To achieve success in Miss Miller's 2nd hour Typing class, the student must learn to increase his rate with very few errors. Those erasers in action indicate some students still have a way to go.

"I wonder if Michael Angelo started this way?" asks one student as Mrs. Moser's Basic Art class works on linoleum blocks.

Listening intently to the counselors' lectures on registration, next years Sophomores begin to have an idea of what classes they're going to take.

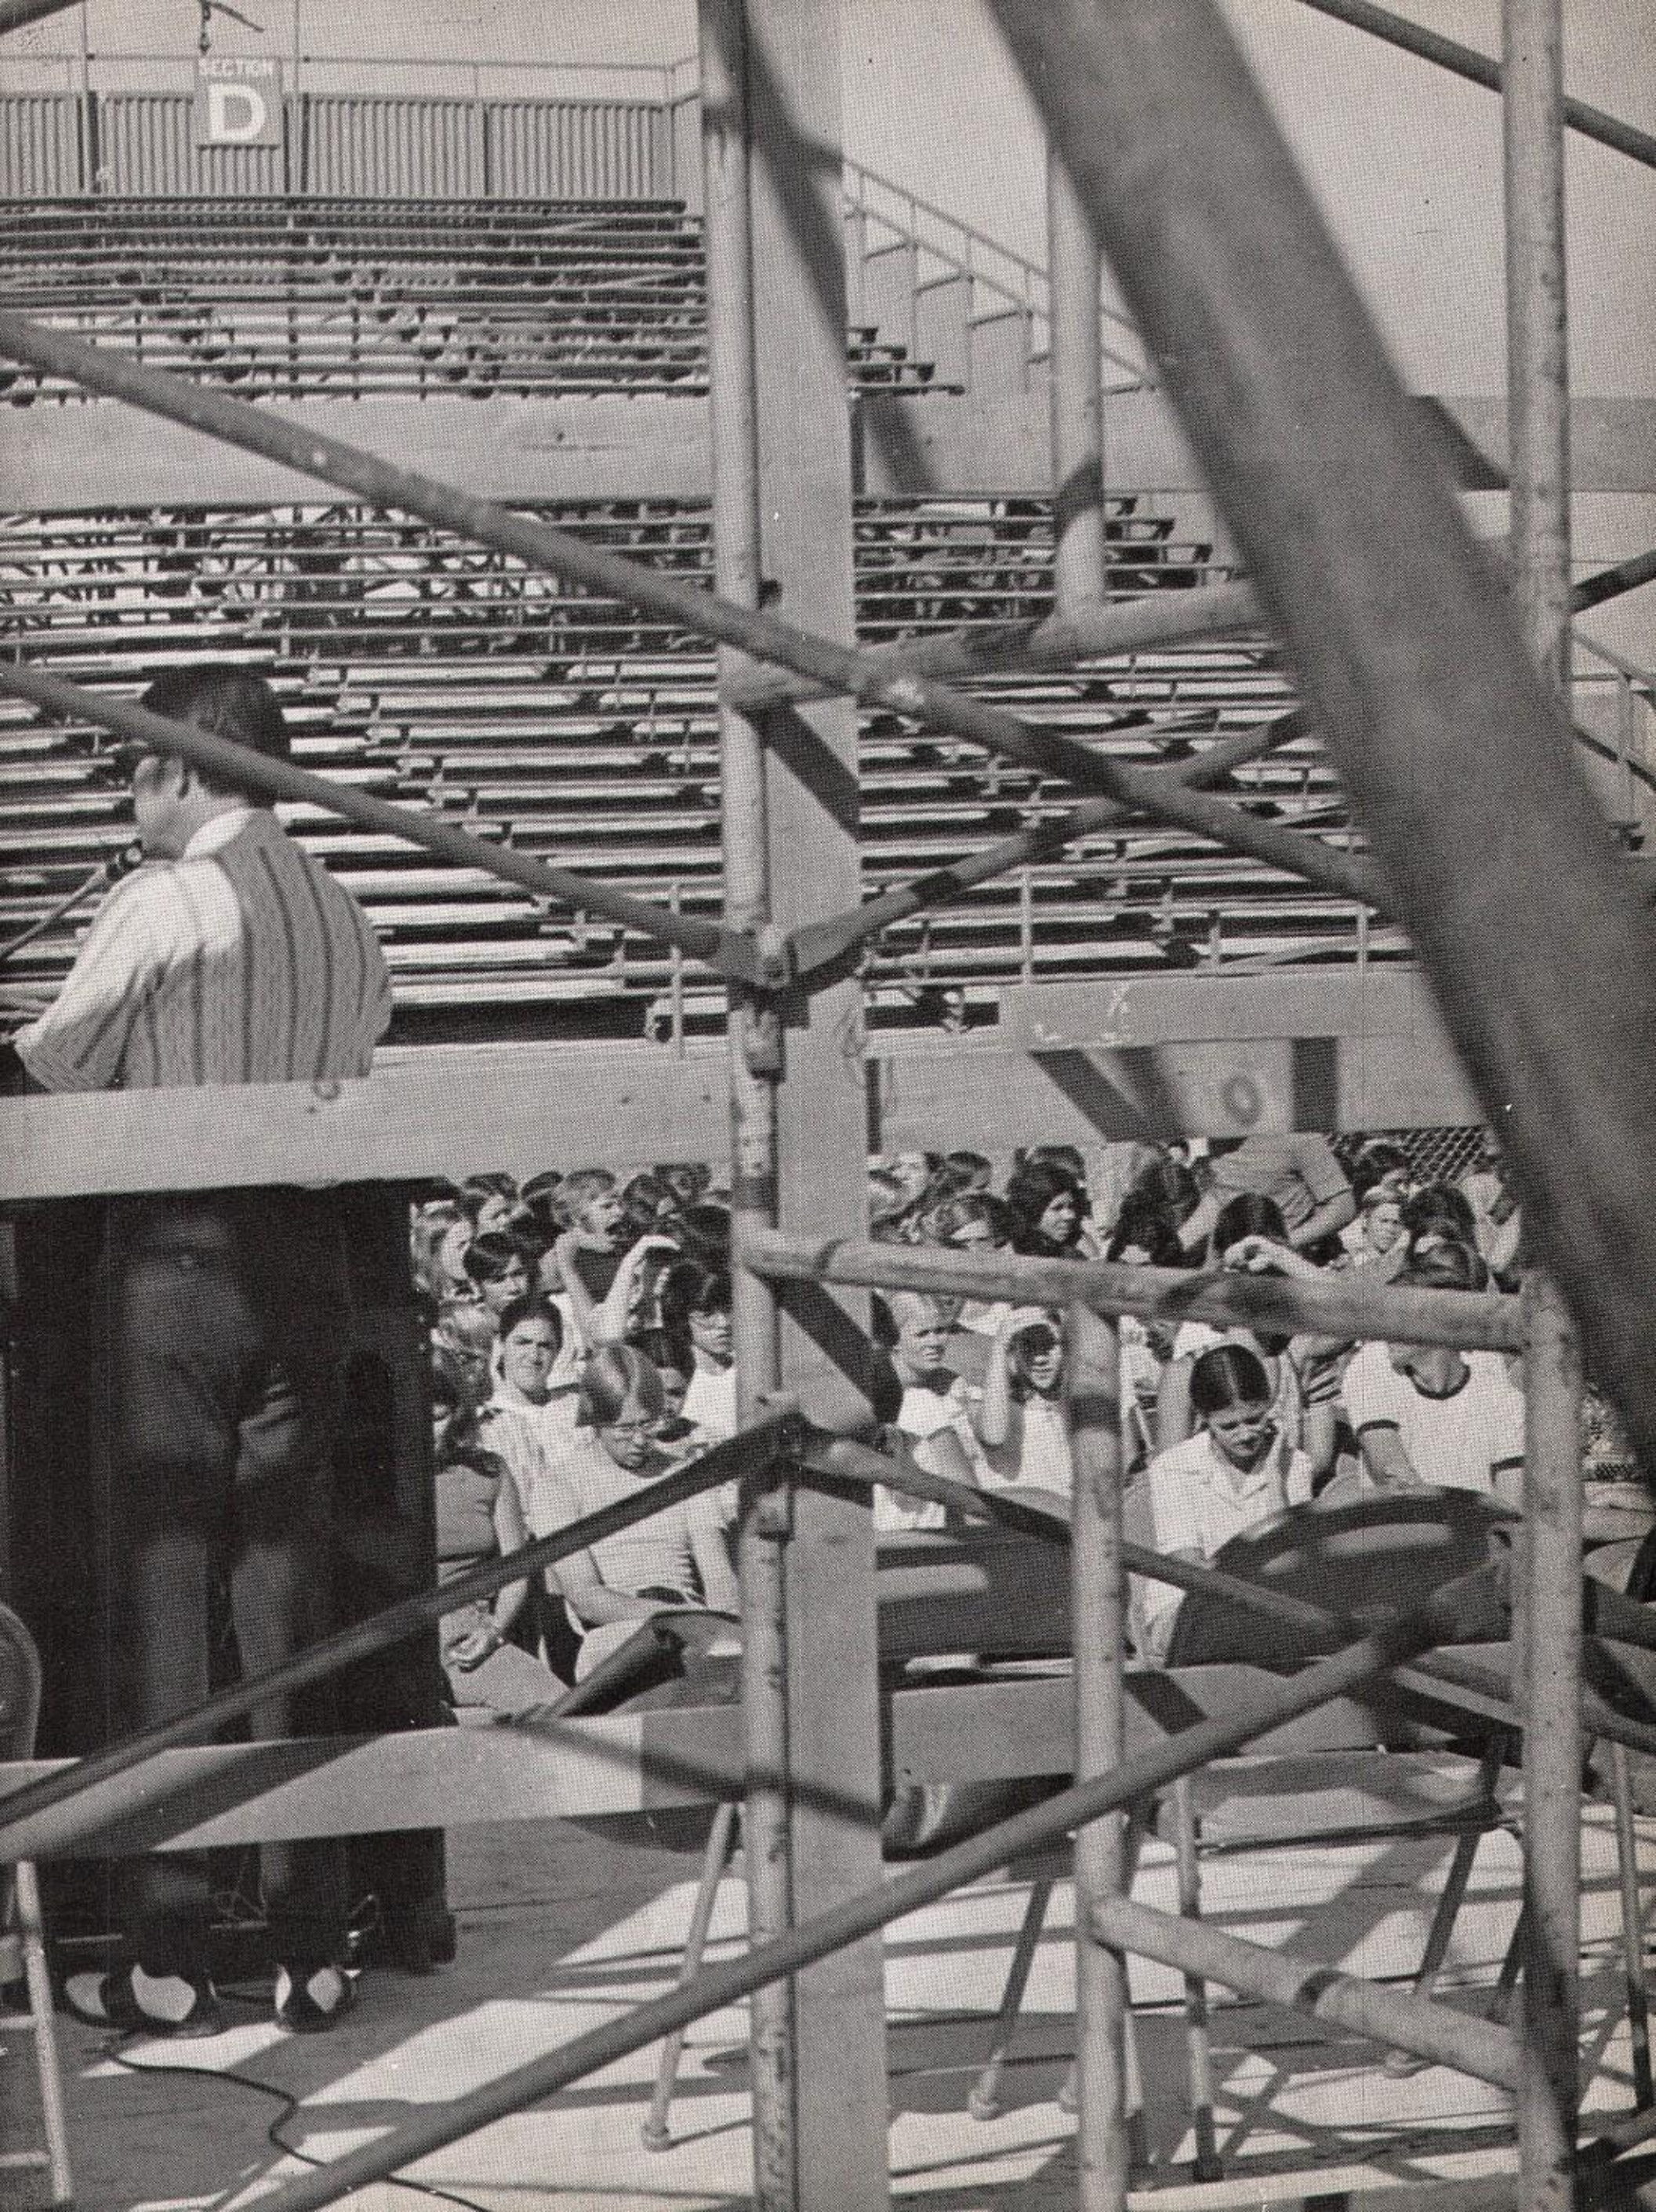

An art exhibit put on by the Design class catches the attention of these two students in the main lobby on their way to classes.

Under the leadership of President Carl English, this year's Super Seniors have accomplished many things. Among the goals achieved by the class of '74 were a record-breaking Homecoming dance that netted \$701.00, a Homecoming float that won the Most Pertaining to Theme award, and first place in the Magazine Sale.

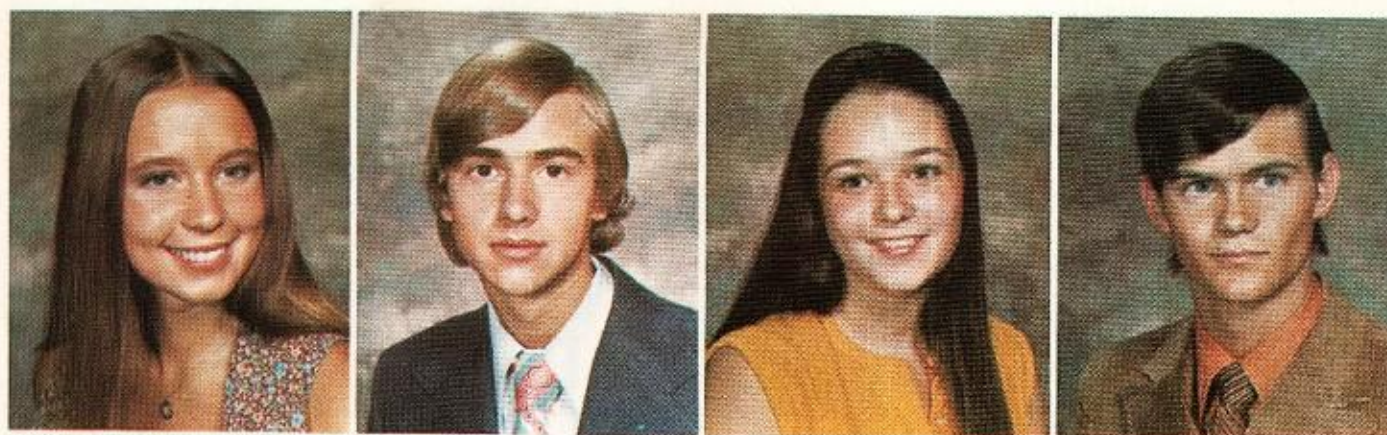

The Seniors also upheld many traditions this year, including the 2nd Annual Donkey Basketball Game, the trip up north to cut the Senior Christmas tree for the quad and the all-night party held at Big Surf. Besides all of this, the Seniors sold popcorn to earn money for the class gift and the Senior Bash, catered again with Kosher food and supplied with music by Smoky.

On June 6, 580 Seniors will graduate from West High, leaving behind four years of unforgettable memories.

Could Janice Klein possibly be happy that we won our basketball game against North?

Could it be that George Garcia hears a sour note as the Senior class lifts their voices in song during the Homecoming Assembly.

JUNIORS

President
Neal Park

Secretary
Diana Stinson

This year's Juniors have many great plans for what they're going to do. Heading off the top of the list is the Junior-Senior Prom. The theme will be "We Shall Never Pass This Way Again", and it will be held, for the first time, in the Phoenix Civic Plaza.

Other activities included the selling of animal-shaped candles, a turkey raffle, and taking gifts to the elderly at Christmas.

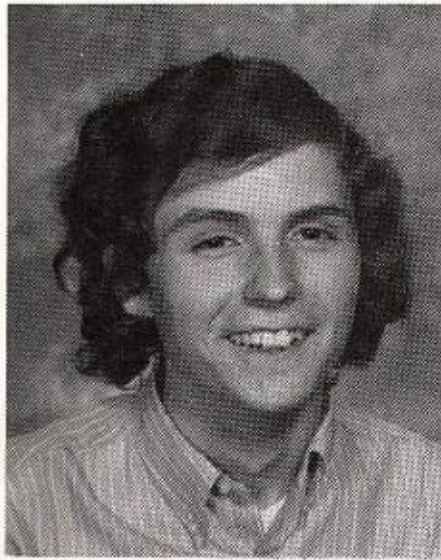

Juniors showed the greatest spirit this year in the Homecoming festivities by buying the most links in their spirit chain.

Coming in second only to the Seniors in the magazine sale, the Juniors held their own with their song "Killing Me Softly".

Dr. M. Borek and Mr. H. West continued as sponsors for the class of '75 in their projects this year.

The Sensational Sophomores began the year by placing second and Most Original with their Homecoming float. In their efforts of fund raising, they sold everything from Kazoos, at the football games, to Cookies and Keychains. The Sophomores did their part during Valentines week by selling Valegrams and corsages of pink carnations. Rodeo week included many exciting activities planned by the Sophomores.

The class of '76 wishes to express their thanks to their concerned sponsors, Mrs. Kuhn and Mr. Garrity, who immediately came to the rescue in many a tense moment.

In their first year at West the class of '77 made a great start in the magazine sale, staying at the top most of the way, but the final results put the Freshmen in 4th place.

The Freshmen class swept the Junior Olympics, winning most of the events.

They also competed in the Homecoming festivities by building a float. Carmel Corn was sold by the Freshmen, and a Car Wash was held.

The sponsors supporting the Freshmen in their Battle against upper classmen were Mrs. Cripps and Mr. Rose.

LIFE

HOMECOMING

Spirit and enthusiasm and lots of balloons marked Homecoming for 73'-74'.

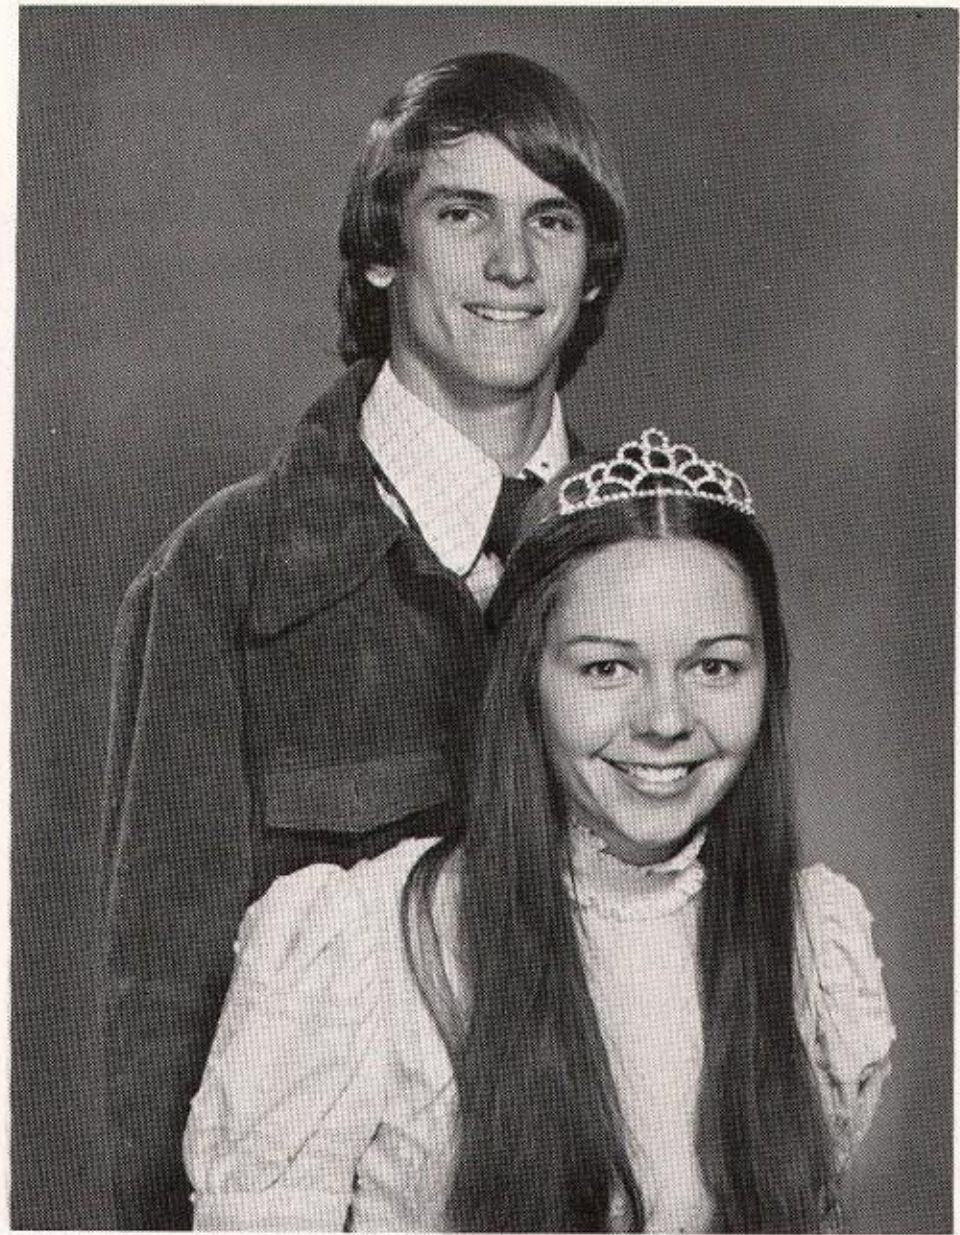

The work started weeks in advance when the planning and building of floats got underway. Many hours were spent after school and on weekends preparing these floats for exhibition.

Activities, ranging from water balloon fights to tricycle races were planned. People from all four classes competed against each other everyday with the Freshmen coming out on top almost everytime.

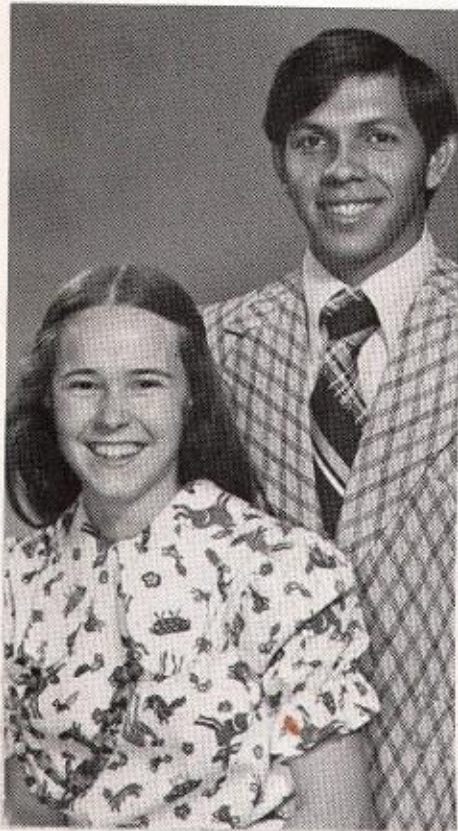

Finally, Friday came with the assembly, announcement of the nominees and the traditional class songs.

Half-time at the Homecoming game was a kaleidoscope of tears, joy, and happiness with the announcement of King, Dan Curtis and Queen, Linda Vawter. The band float won the Grand Sweepstakes in float competition, Sophomores most original and Seniors most pertaining to the theme, Up, Up and Away.

After the excitement of the dance, Homecoming was over for another year, leaving only the memory of the climax of Fall season in the minds of all.

West's first all-school play of the year, was written by Arthur Miller and directed by Miss Janet Golman. The play depicted life in Puritan America during the Salem witch-hunts. Many long hours of work and rehearsal went into the play right up until show-time.

The purpose of "PAYS" (Police Assisting Youth Section) program is to be a resource to the student, teacher and school in any way possible.

Officer Joe Wolfer of the Phoenix Police Department is West High's PAYS officer. He is not a campus cop or a security guard, he does talk in classrooms on such subjects as Rape, Burglary, Traffic Law and Safety, and answers any questions students may have.

SWARMED ON — As he struggles for extra yardage, Marty Smith (93) is swarmed on by most of the Trevor Browne squad. West was victorious in this final game of the season.

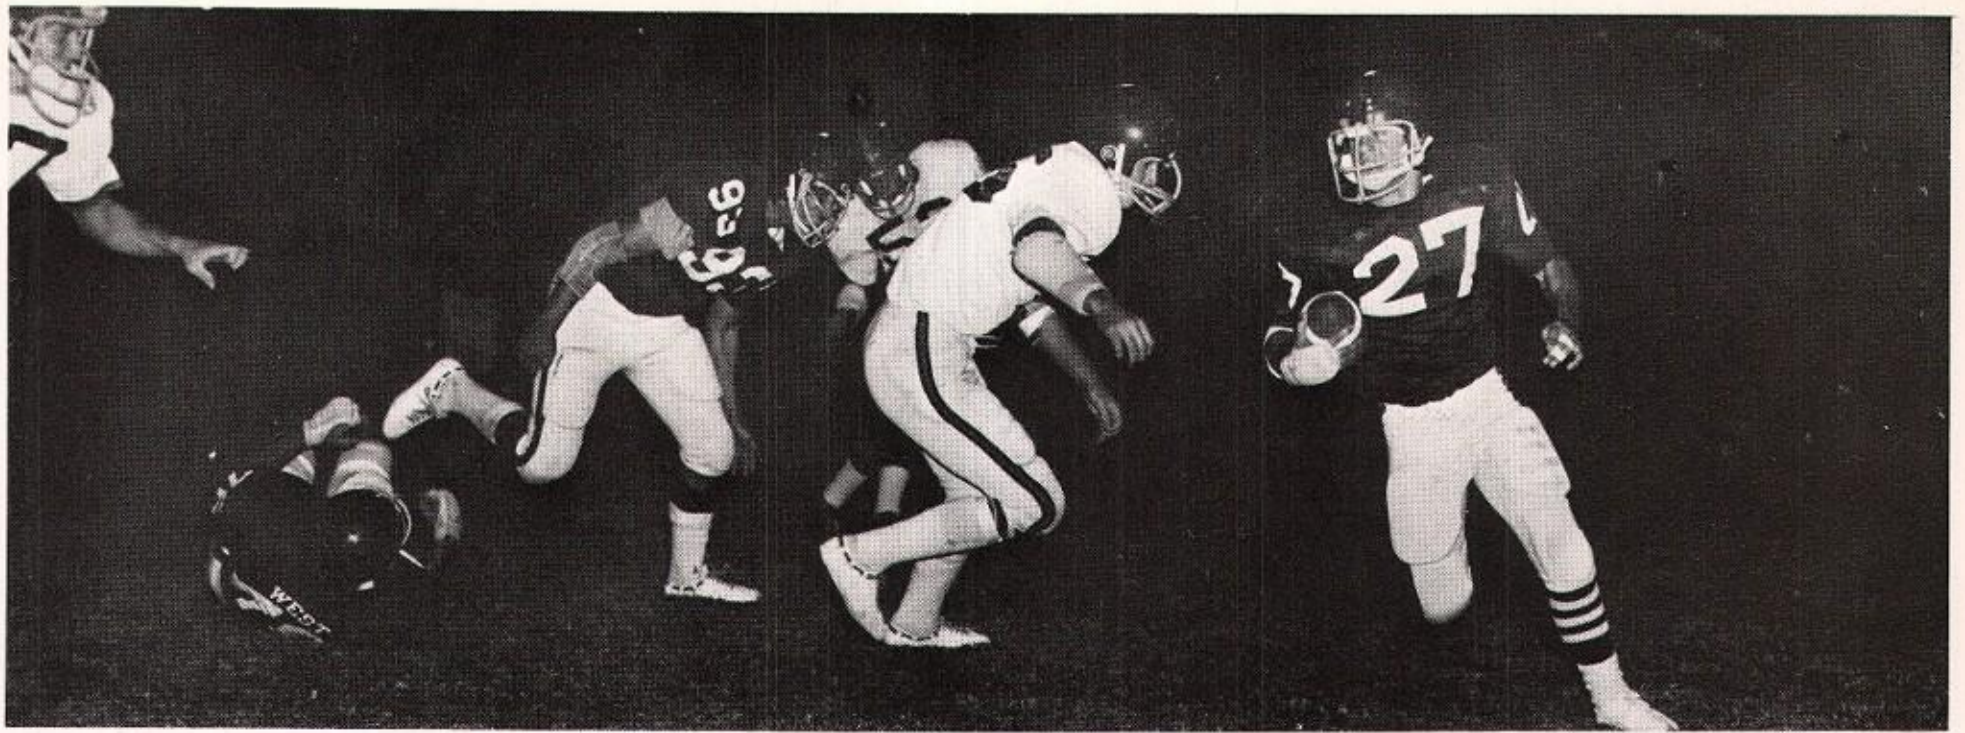

BLASTING THROUGH — Dan Driehorst (27) blasts his way past a frustrated Trevor Browne gridder and romps on towards the Bruins' goal line.

GRAB IT, EDDIE! — Concentrating on the ball, Eddie Ortiz (26) stretches to pick off an interception in the Central contest. Wonder what you call that dance routine the two Bobcats are doing?

GO, DAN, GO! — Dan Curtis (25) steps out in full stride as he breaks away from a host of pursuing Alhambra Lions and races on for a big gain.

GET GOING, DAN! — That pesky Bruin has his eyes set on you. Dan Driehorst (27) picks up yardage as he cuts upfield against Trevor Browne. Marty Smith (93) is too late and Mark Savarese (76) is not in position to assist.

ON HIS WAY! — A touchdown may be on Steve Wallace's (15) mind, but those two Trevor Browne gridders seem to have other ideas. Marty Smith (93) closes in on the action, while Dan Curtis (25) takes a short rest.

STOP HIM, JIM! — With a determined lunge, Jim Wilkerson (46) grasps an elusive Lion in the Homecoming tilt. Jeff Carter (88) is coming up to help, but Gilbert Garcia (37) seems to be out of the action.

Up against some of the strongest competition in the state, the '73 varsity gridiron squad came out on the short end of the score in seven games while winning only two.

Coach Bob Widmer, who wound up a difficult five years as headman for the T-Birds, went into the season with a team lacking in size, speed, and depth, but he was able to instill in his players the determination and character that enabled them to battle back each week and maintain the poise possessed by a well-disciplined team.

The final contest, that 27-26 thrilling victory over Trevor Browne, has to be labeled as the high point of the season. Those final few minutes when the defensive team had to dig in to preserve the win brought about as much excitement as any one could desire in a game.

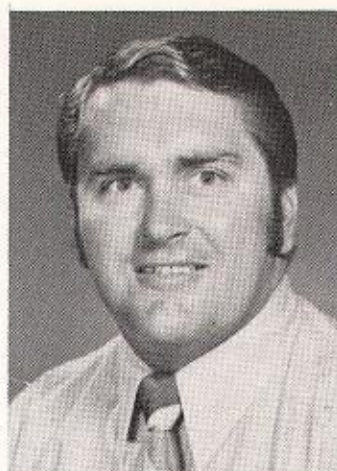

Individual honors for the season went to Rick Telles who was selected to the All-Division, defensive first team and to an honorable mention spot for the All-State defensive squad. Tim Peachey was also given a first string All-Division position as a tackle, while Don Harper was a second team defensive back selection for the same honor squad.

HOLD HIM, JEFF! It looks like Jeff Carter (88) has that Central Bobcat well in hand, but Micky Milford (18) and Dana Carpenter (89) are going to make sure he doesn't get away.

UNLOAD IT, STEVE! Menaced by a Cortez defender who looks like he's going to deliver a karate chop, Steve Wallace (15) anxiously scans the field for an open T-Bird receiver.

TOUCHDOWN—WEST! Steve Wallace (15) is grounded by several Trevor Brown gridders, but not until he crossed the goal line for six points. Jim Odell (66), Marty Smith (93), and Dana Carpenter (89) survey the action.

Throughout the '73 season, the strong, spirited play of the junior varsity eleven gave a definite indication that better things may be coming our way next year.

The team, coached by Craig Thies and Ray Maxey, ran up an 8-2 record, second overall of the eleven schools in the PUHS District and the best for a West J.V. grid squad in ten years.

According to the coaches, this team, which averaged 25 points a game to 10 for their opponents, exemplified the theory that "hard work and dedication produces winners." Their determination to be a winner was clearly indicated in the Phoenix Union game when the team had to come from behind to grab the victory.

The members of this team will probably be the varsity leaders for the next two years.

Sam Patterson and Rudy Ramirez helped manage this year's JV Football team.

BASKETBALL

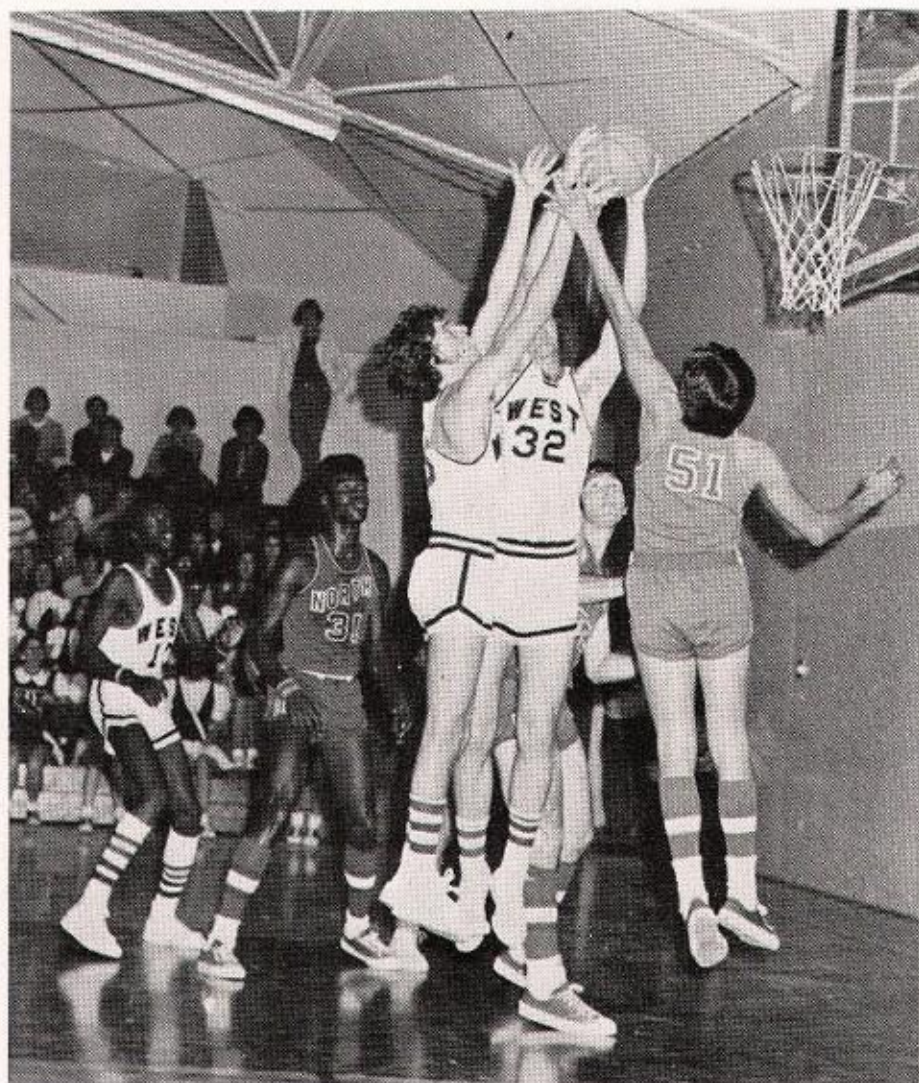

ON A DRIVE! Ron Hartley pours on the steam as he drives around a South High Rebel and heads in for a shot at the basket.

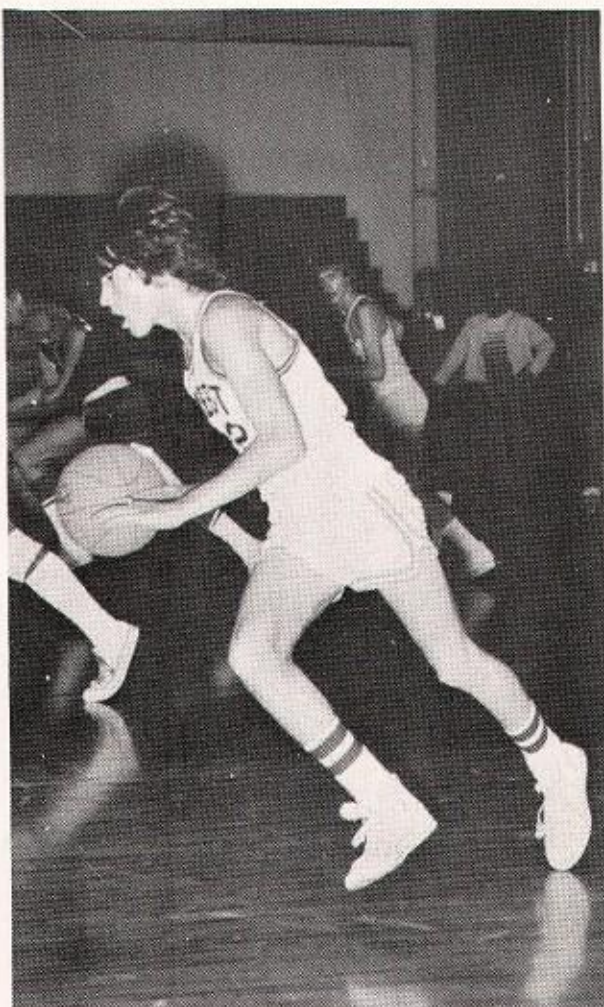

UP AND IN — Mark Terzich left hands a lay up over a South cager to score another bucket for West. Bruce Gonzales (24) and Bill Henning (32) keep an eye on Mark.

THIS ONE'S MINE! Keeping a wary eye on that Falcon behind him, Ron Hartley (15) brings down a rebound for the varsity five. Bill Henning (32), Don Harper and Bruce Gonzales watch their teammate.

TAKE IT, BILL! Stretching high over a North Mustang's arm, Bill Henning (32) and Ron Hartley make sure that the T-Birds get this rebound.

LET'S GO — After recovering a rebound for the J.V. five, Jeff Rolan takes the ball down court in the win against Alhambra.

STOP THAT PASS! If Rick Calkins (54) takes time out from directing traffic, he might block the pass which that Lion has just fired around Chris Villemmez. Looking on are Rick Jones (40) and Dave Olin.

SHOOT IT, JEFF! Rick Calkins (54) sets a screen as teammate Jeff Rolan gets ready to fire in another field goal against the visiting Lions.

NO YOU DON'T! Is what Rick Jones seems to be saying to that Alhambra cager as he attempts to block a shot.

The 14-5 record ran up by this year's J.V. five emphasizes the feeling that the members of this squad could be assets to the varsity program for the next two years.

The Phoenix Division schools fielded some of the top J.V. teams in the state with at least five squads that were capable of beating anyone on their schedules. It was against this type of competition that Coach Bob Van Quathem's quintet came alive in the second half of the season to win eight games in a row before dropping their final tilt by three points.

As their coach pointed out, the success of the season came from their overall team effort, and that if they continue this hard work and dedication, they should continue to be winners.

First row l-r: Dale Denman, Charles Maciel, Albert Abril, Jeff Rolan, Marty Kerlin, Jeff Richardson, Barry Wray, second row l-r: Coach Van Quathem, Chris Villemmez, Rick Jones, David Olin, Rick Calkins, Rick Owens, Kip Phelps.

SLAP IT AWAY! Dan Curtis (12) gets a quick hand on the ball to knock it away from a Lion courtman. Bill Henning, Ron Hartley (15) and Don Harper (11) are close to the activity.

Taking it on the chin from some real powerhouse quintets in the local area, the varsity five suffered through its second straight 3-18 season. A third of those losses came at the hands of the state's top three teams.

High point of the season came in a two-week period in January when the T-Birds picked up two of their wins and came very close to grabbing another pair.

Coach Fred Roche said of his team: "The players who finished the season gave 110% to themselves, the team, and the school." Although they may have been outclassed, these squad members never quit, displaying true pride and determination.

WRESTLING

Senior Bill McCaw is putting a guillotine on sophomore Tini Estrada in a varsity practice match.

Junior Bob Westbrook has Bill McCaw in a half-Nelson and is trying to turn him over for a pin while junior Darwin Levie looks on.

The varsity grapplers, dominated by underclassmen, were able to come up with two wins in their ten matches for the year. Coach Bill Hutcherson, hoping for strong help from seniors, again found them missing — only three, including Bill McCaw, the team's most outstanding wrestler, returning for action — leaving the coach the difficulty of rebuilding for the season.

This was a great season for McCaw, a four-year letterman, who grabbed a first place in the Division tourney, second in the Peoria Invitationals, and fourth in the state finals. Underclassmen Bob Westbrook, Darwin Levie, and Tini Estrada were the teams' other outstanding performers.

The J.V. squad, which consisted of several first year wrestlers, came away with one more victory than did the varsity. These young athletes, according to Coach Craig Theis, could provide a good nucleus for next year's varsity.

Pictured are senior Bill McCaw, junior Bob Westbrook and sophomore Tini Estrada. These varsity wrestlers qualified to go to the state wrestling tournament by placing in the division tournament, Bill McCaw took first in the division of 129, Bob Westbrook took 3rd at heavy weight and Tini Estrada took fourth at 108.

Boy's Varsity tennis this year was the best team fielded at West in the past four years. Devon Bridgewater as a freshman last year went to the State finals and should repeat that performance again this year along with a doubles team yet to be selected. A record 25 players tried out this year. The Boys Freshman team were second in the district this year with only one loss.

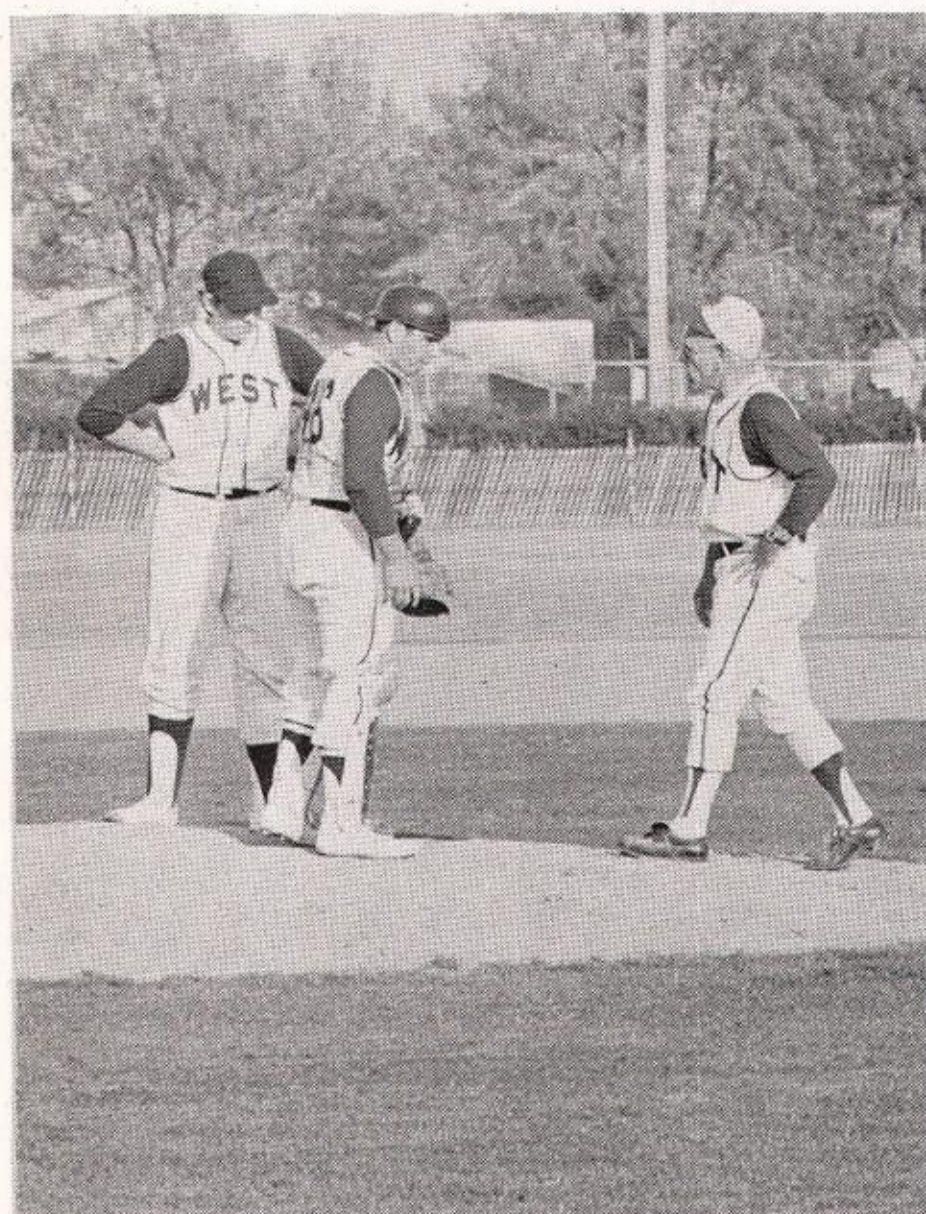

Gathering around Coach Stitt, members of the varsity nine talks over the strategy they will use in their game with Camelback.

Racing down the base path, Gilbert Garcia gets set to make his slide into second base on a successful steal against the Spartans. That wild throw helped also.

BASEBALL

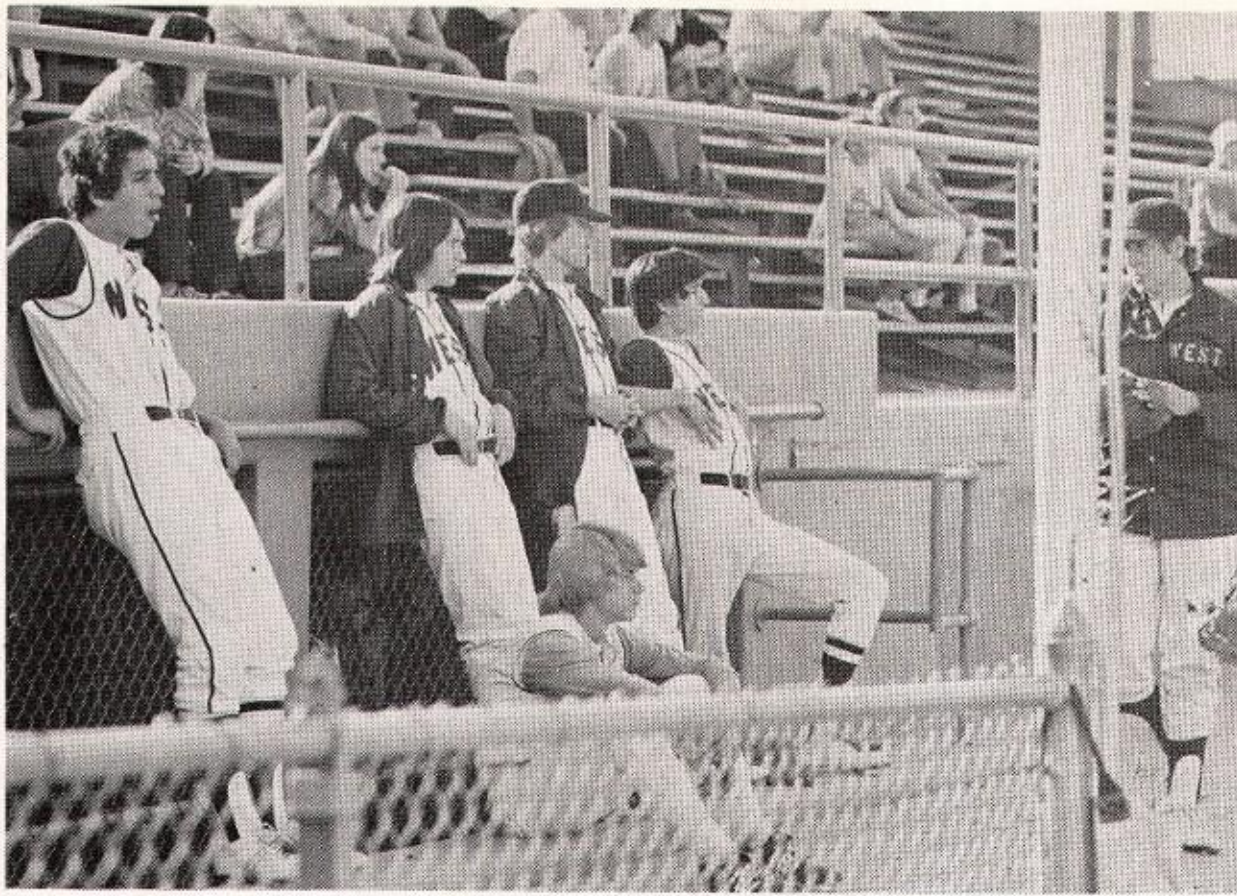

That's not a happy afternoon stroll for the coach- he's just about to change pitchers. Catcher Mark Savarese will still be in the game, but Mike Carnes will have to take that long walk back with his coach.

Things must be going all right for the varsity squad- the bull pen crew certainly looks relaxed — and not too worried!

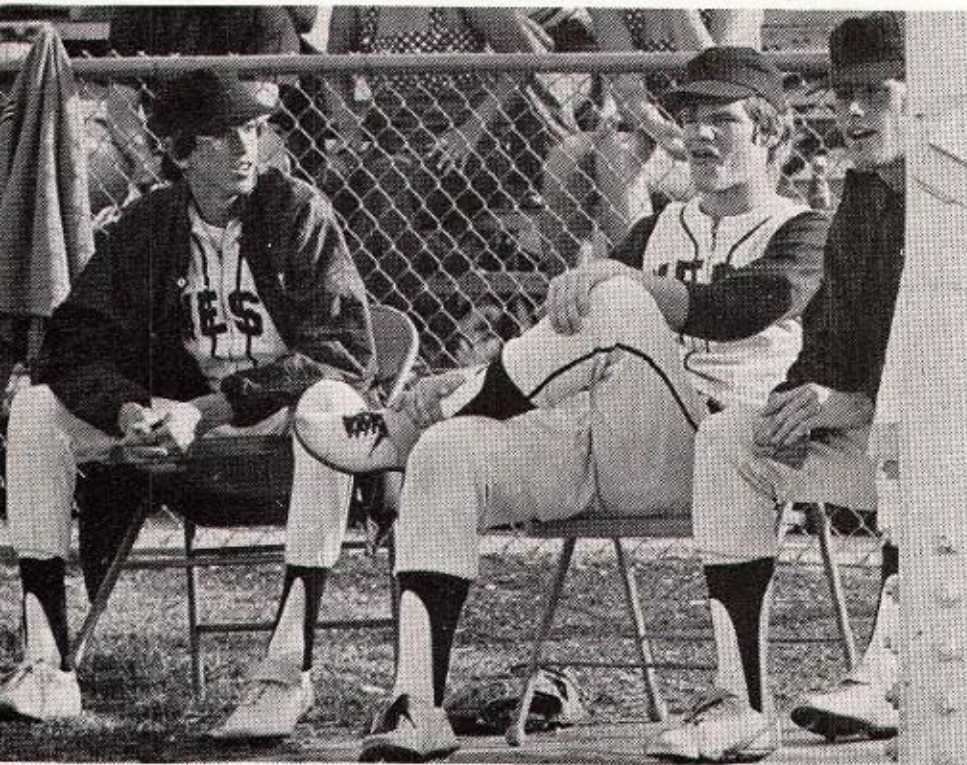

Waiting for their chance to get into action, several varsity members watch the action on the field.

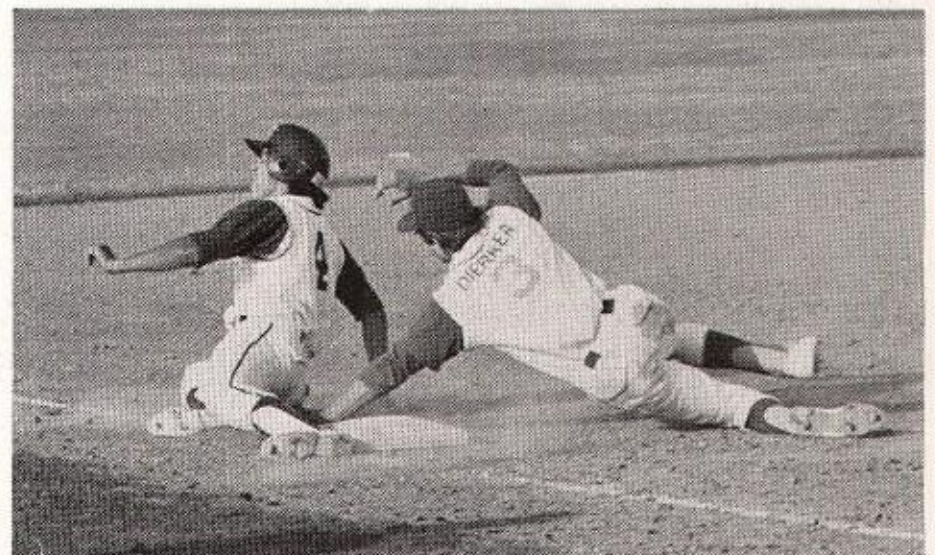

Hurrying back to the safety of first base, Byron Ethier beats the attempt to pick him off base.

Ken Galas hustles back to first base just in time to beat a throw from the opposing pitcher.

Byron Either steps into a pitch and slaps out a safety against the Camelback nine.

Safely sliding into third base, Gilbert Garcia has moved into position to score another run for the T-Birds.

VARSITY BASEBALL

Stung by early season losses, West's three baseball squads, Varsity, J.V., and Freshman, were able to fight their way up the win column as the season progressed.

Varsity coach, Jim Stitt, lacking experienced pitchers, counted on the defensive ability of the players to hold the team together and give the young hurlers the support they would need during the season.

Mark Savarese, catcher and team captain, has much to do with the success of the team through his leadership and handling the pitching staff, while Byron Ethier, Rick Telles, Gil Garcia, and Steve Wallace were defensive leaders.

The junior varsity teams in football and basketball were outstanding for West, and Coach Dick Saunders nine, with a record of five and two at midseason, appeared to be headed for a similar success.

According to the coach, the members of this team, which had strong hitting, good pitching, and solid defense, have the potential to give the school one of the best varsity teams in the city within the next two years.

Pitchers Dale Denman, Chris Villemez, and Joe Fackson and catchers Rick Jones and Fred Roggin gave the squad the depth in battery choices that is necessary for a strong team.

Learning the basic fundamentals and playing together as a team were the two main goals Coach Reg Mathews set for his freshman baseball crew during the season. Along the way the squad proved to be a winner also.

Bringing a smile to the coach's face for their play during the spring was the strong hitting of catcher Chuck Frazier and the pitching of Tim Bien and Mike Austin.

Bill Yehling fires a fast ball past a Spartan batter in the Camelback game on the West High diamond. That's Mark Savarese crouched behind the plate awaiting the ball.

Getting back to base a Camelback Spartan ducks under the cage of the T-Birds first sacker Steve Wallace.

That high throw to Rick Telles allowed the Spartan base runner to slide safely into third base.

Three seniors, Dan Curtis, Jim Wilkerson, and Don Harper were the main stays of Coach Dale Torrence's varsity track squad. Curtis, the school record holder in the long jump, added the intermediate hurdles record to his list in a mid-season meet and could probably end up as the state's finest in that event. Wilkerson, a consistent 13 foot vaulter, brought in his share of the points for the thinclads, while Harper had worked his way up to become one of West's best middle-distance runners.

Again a young team with only five seniors on the roster, the varsity squad had more balance than in recent years and by mid-season was getting improved performances from underclassmen James Bonds, John Kopchak, Larry Campbell, Richard Lopez, Harry Colter, Jim Agee, Sam Patterson, Bob Westbrook, John Leos, and Toby Estrada.

The J.V. ranks were very thin this year since many of the sophomores were varsity performers; however, Coach Tony Ljubicich could count on Mike Dugan, hurdles; Ron Strayer, weights; Maurice Taborda, distances; and Tony Lopez, pole vault to bring in points for the team.

The freshmen, under the watchful eye of Coach Ray Maxey, came through with several top performances. David Gonzales and Kevin McKennie came through with excellent times in the middle distance and distance events. Also bringing a smile to the coach's face were the efforts of Norman Gagnon, Ray Kirkpatrick, Dwight Patterson, and Larry Arteaga.

Dashmen Robbie Johnson, James Bonds, Mike Kline, John Kopchak and Kent Bauer fire out of the starting blocks in a practice session.

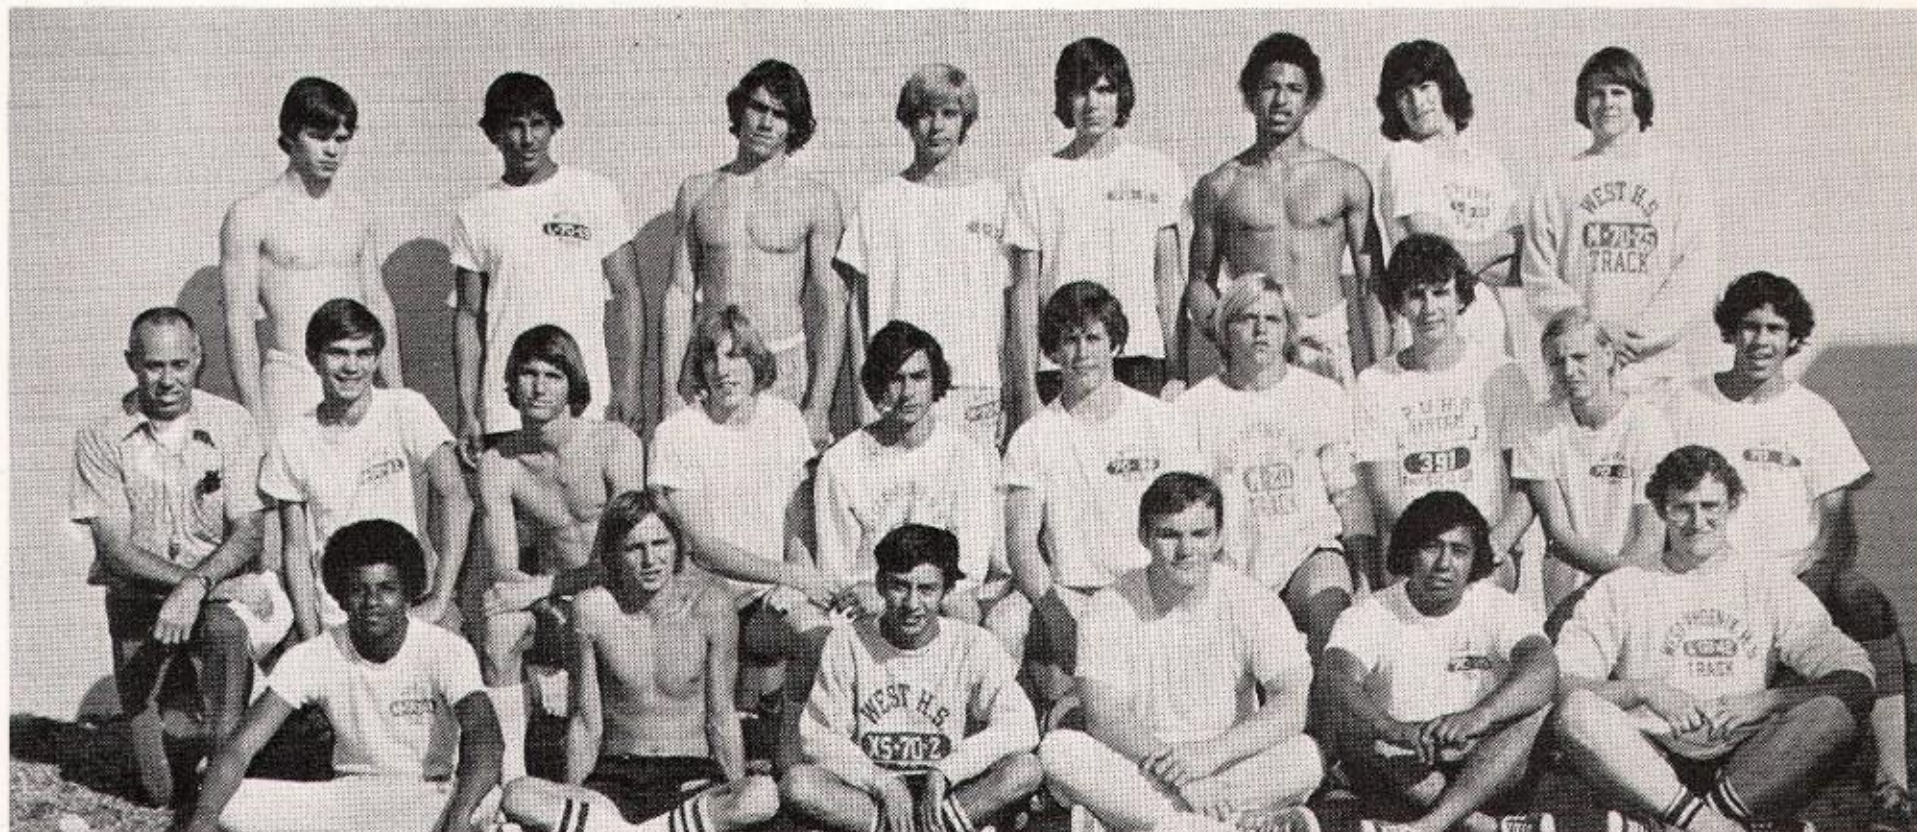

Running quarter mile repeats was part of the training for middle-distance men Kevin Pullins, John Westfall, Larry Campbell, Richard Lopez, and Howard Dendy.

Vaulter Jim Wilkerson makes it look easy as he goes through another practice session. Watch that sweat shirt, Jim!

Dan Curtis is one of the top Intermediate hurdlers in the state.

VARSITY CROSS COUNTRY

Front row l-r: Brian Reed, David Gonzales, Mike Kline, Gerry Paquette, Robert Lopez, Kelly Kridler, second row l-r: Harry Colter, Robbie Johnson, John Westfall, Mark Terzich, Howard Dendy, Jim Agee, Tony Lopez.

This year's best distance runners accomplished this by many hours of hard work.

Making sure that his cross country squad members stay lean and strong, Coach Dale Torrence puts them through all types of workouts. On a normal day you might find his team running "repeats" on campus, jogging along the canal bank, on their way back from a "hill" workout, or taking it easy on the Encanto course as they finish up with their daily twelve miles of practice.

The harriers covered all types of terrain in their seven meets last fall and were able to come up with two victories, while the J.V. runners showed promise by finishing 4 and 3.

With the team's top three members returning, including Harry Colter who finished first for West in all this year's meets, and help from that strong J.V. squad, the 1974 team could give the school the best cross country season since their division championship in 1969.

FOREIGN EXCHANGE STUDENTS

Being in the United States has been a good experience for me. The people I have met have taught me about the so-called American way of life. I have enjoyed living here and the people who have been so friendly and warm.

I hope all of you can have the opportunity to be a student in another country. It is really a good experience. I am thankful for everything you have done to help me have such a good time here.

Edgardo Camacho

I want to thank A.F.S. and West High for giving me the opportunity to come here and learn the English language and American customs.

My experience with the people of Arizona and especially of West High has made me more aware of people in other lands.

I am very thankful and I hope that I will return to the United States someday because my experience has been so rewarding.

Edgardo Camacho

David Moreno

I have spent most of my life in Lebanon, although I am not a Lebanese citizen. I came to the United States to understand the customs of Americans. I have also tried to make people around me aware of problems of my part of the world.

Coming here I have gained a new outlook on the world. A new understanding of why the world's in this shape. I have also learned to appreciate the qualities of other countries and some of my own country.

In conclusion I would like to say, I hope I have given as much as I have received.

MARCHING BAND

West's band had a very successful year. They started it off with one of the largest marching bands in many years. They marched at all of the home football games during the half-time shows. Marching in the Shriner's Circus Parade, at an All-Star soccer game, and in the Fiesta Bowl Parade were some more of their accomplishments.

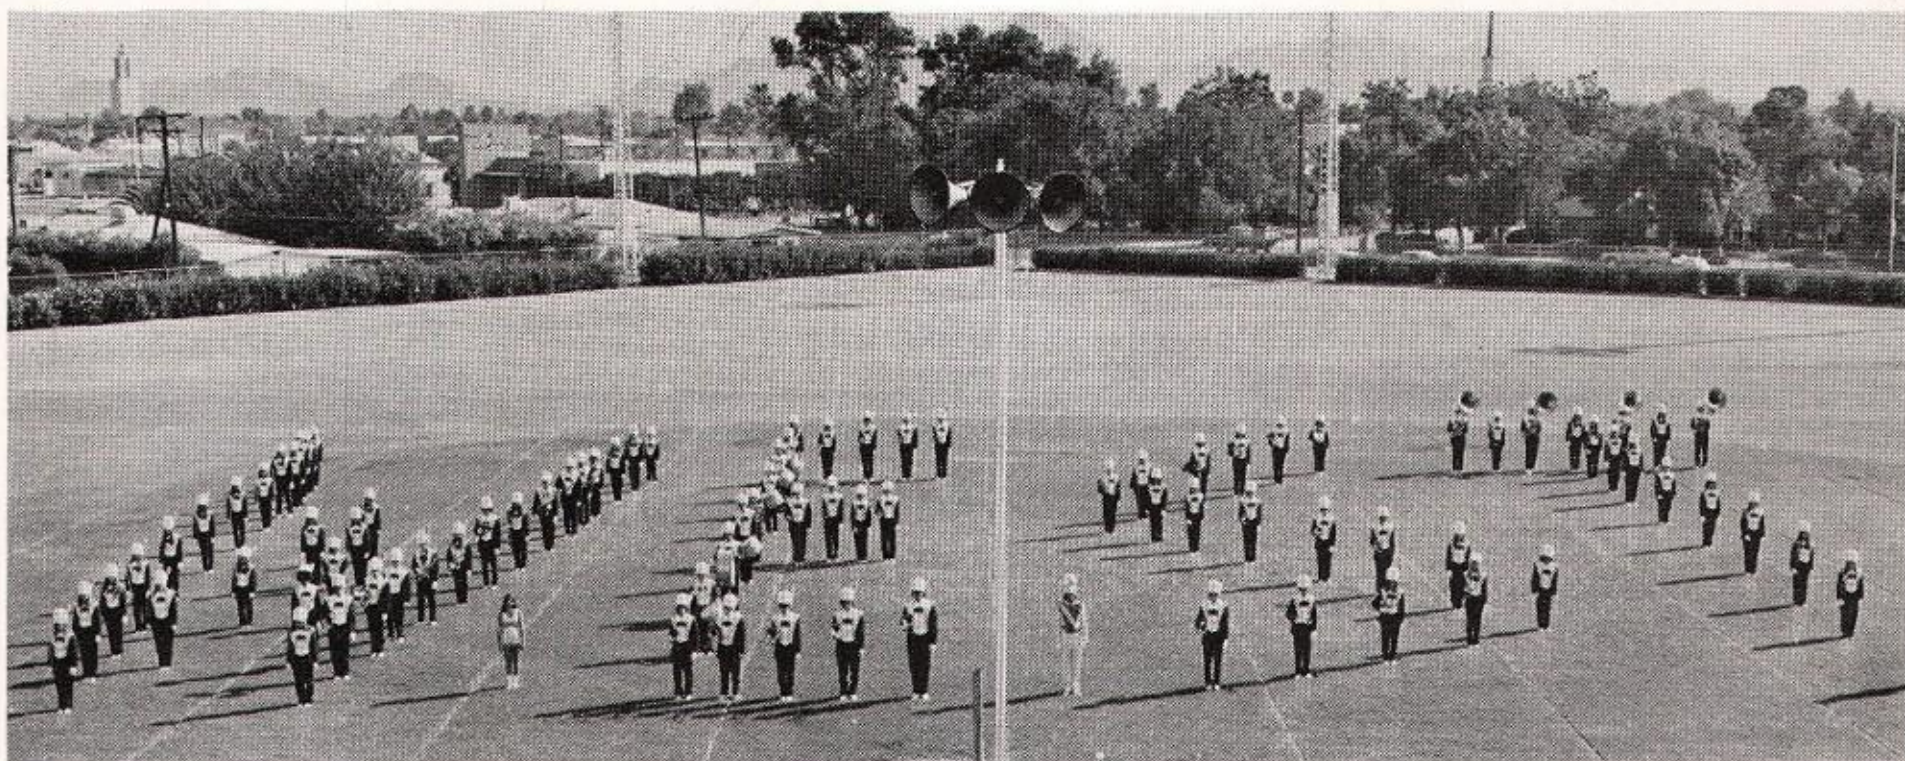

The band participated in a marching contest at ASU and received a superior rating. Our band probably had the highest number of participants, instrumentally, at the State Solo and Ensemble Festival in February.

FACULTY

PRINCIPAL

Mr. Harry E. White

To the Students of West High School:

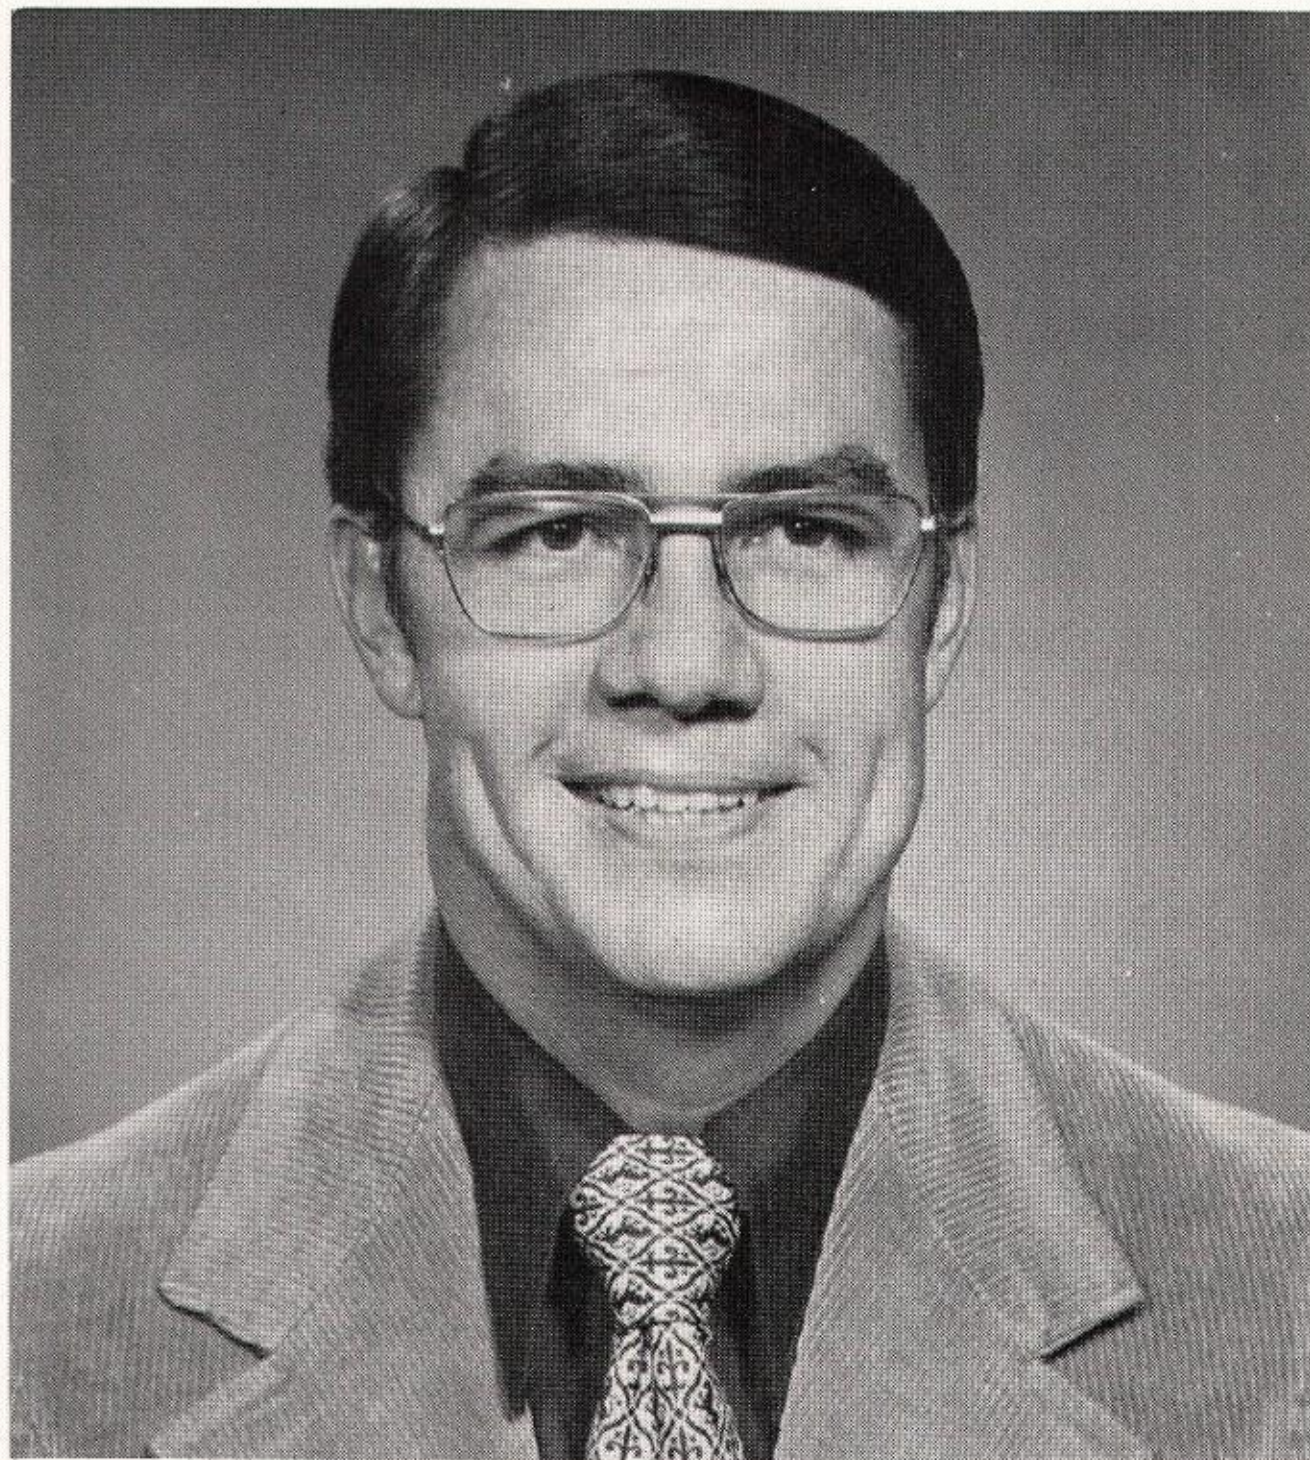

Five years ago I stated that I considered it an honor to be appointed as Principal of West High School. During the intervening years, I have felt fortunate at all times to be associated with such an outstanding school, with its cooperative student body, dedicated faculty, and loyal community.

Even though I have enjoyed my work and realize that there are many challenges ahead, I choose to retire a year early in order to have a change of pace and to devote more time to my family and to other pursuits for which I have never found adequate time. Please accept my personal thanks for all the favors and kindnesses to me during my tenure at West High.

My sincere wish is that West High may continue to carry on the tradition of the past and to serve the community in an ever-improving manner.

Harry E. White

Associate Principal

Mr. Larry Kelly

To the Students of West High School:

The 1973-1974 school year has been one of progress and achievement. Several subject areas are enjoying new or remodeled facilities. These include Art, Photography, Social Studies, English, Home Economics, Health, Special Education, and the Corrective Referral Program. The result of this is that classes are no longer meeting in the Annex.

Looking to the future, we will begin planning for the refrigerating of the remainder of the plant, the demolition of the Annex, and the construction of an Instructional Materials Center.

To both students and faculty, a sincere thank you for your patience and splendid cooperation during the remodeling and best wishes for a pleasant and rewarding future.

Larry K. Kelly

First you water it to make it grow long — then cut it to make it short! Mr. Herb Roe riding the mower.

Mr. Beryl Folks directs the combined string orchestra consisting of both beginning and advanced groups.

Nineteenth Annual MUSIC FESTIVAL

Intermediate and J.V. bands combine to play "Reds White and Blue March" by Mr. Red Skelton. Directed by Mr. Bob Marshall.

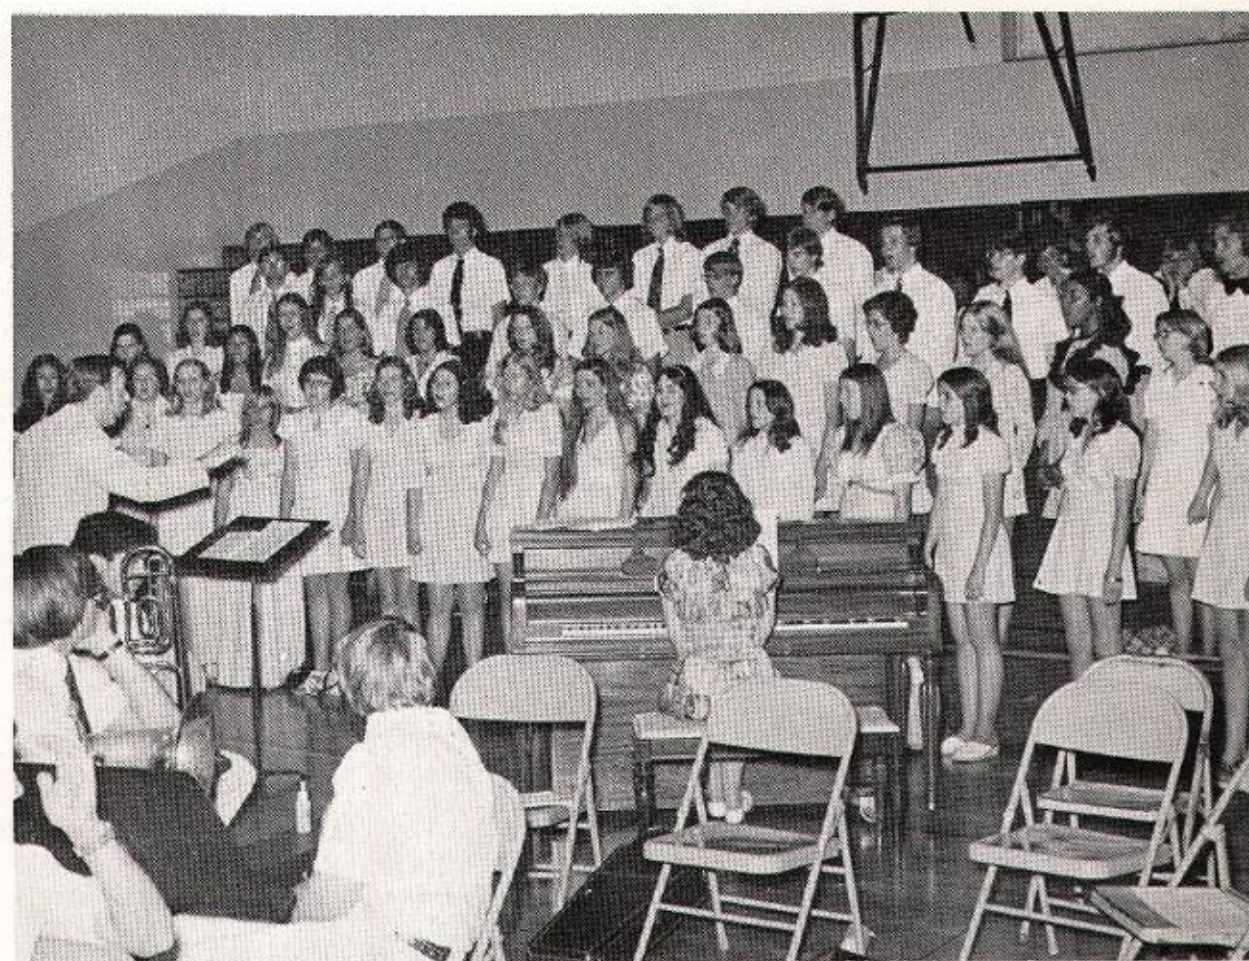

Playing the rich, baroque chords of George Handel are members of the low brass section of the intermediate band.

A capacity audience and the orchestra listen to sounds from the concert choir.

The advanced girls chorus, under the direction of Mr. Beryl Folks, sings while members of the beginning girls chorus await their turns.

Directed by Mr. Serge Huff, the concert choir performs "Boatman, boatman, hurry, hurry—take me now."

ACKNOWLEDGMENTS

This year Westerner staff has worked hard and put in many long hours compiling this yearbook. Now that the book is done we can look back with a feeling of pride.

I would like to thank Mr. Richard Zimmerman, our advisor, for his many long hours of work, Mr. Agee for his sports copy, Ron Neilson for his help and understanding at Community Press, Cean Chaffin for her work in just about everything, Joyce Bauer for writing copy and typing, being our stand-in typist, Susan Wilson for writing copy and running around everytime we needed something identified. Christel Skaggs, Cidny McFarland, and Dana Myers for their work on taking pictures and making prints. Patti Rysso, Cindy Foster, and Denise Sherrill for helping with the many jobs they did. I sincerely hope that you like this edition of the Westerner, and that these pages bring you as much enjoyment as we got out of producing them.

Your Editor,

Jean Little
